

MATH 304

Assignment 9

Last Name:

First Name:

email:

due date: **Friday, April 9 , 2021 by 11:59pm**

Questions:

Submit questions in the order below (as they appear on the assignment)

- check the box if you are submitting a solution to the question,
- leave box unchecked if you skipped the question (you will only loose points for skipping a question that is being graded. You will not be penalized for skipping a question that isn't assigned to be graded. 4-5 questions are selected at random after the due date to be graded.)
