

# SFU Health Research Day 2016: *Networking for Innovation*

**MAY 4, 2016**

**8:30AM TO 2:45PM AT SFU SURREY**  
**250-13450 102ND AVE., SURREY, BC**  
**FREE ADMISSION • REGISTER AT [AT.SFU.CA/HKMASX](http://AT.SFU.CA/HKMASX)**

*Join us for an interactive day aimed at building collaborations across SFU as we consider pressing health issues ranging from Applications & Challenges of Big Data for Health Research to Climate Change, Health & Disease. Through dialogue, we will build resilience and invoke a culture of risk-taking within the SFU health research community, paving the way for SFU to become a strong contender in a highly competitive field of research and innovation.
