

Funding Programs Info Session + Q&A

To ensure BC's health research sector continues to grow and thrive, the Michael Smith Foundation for Health Research (MSFHR) is developing a new suite of funding programs.

You are invited to an information session with MSFHR staff to learn about the proposed programs and help inform their development.

***June 17, 2016
12:00 – 1:00 PM
IRMACS Presentation Studio
(ASB 10900)
SFU Burnaby***

***Please RSVP via
<http://websurvey.sfu.ca/survey/245794232>
by June 13, 2016.***

The following MSFHR funding programs under development will be presented for information and discussion:

- > Convening & collaborating (C²) awards
- > Dissemination awards
- > Health policy fellowship
- > Health professional program
- > Implementation science team awards
- > Translational scholar awards
