Consent to Collect Personal Information Indirectly from a Third party

Pursuant to Section 27(1)(a)(i) of the British Columbia Freedom of Information and Protection of Privacy Act (RSBC 1996, c. 165), I, ____________________________, give my consent to the ____________________________
(Name of faculty, department or office)
to collect my personal information indirectly from a third party under the terms and conditions noted below.

1. The personal information to be collected is:

________________________________________________________________________

________________________________________________________________________

(List the specific types of personal information and/or records)

2. My personal information may be collected from the following person(s) and jurisdiction(s):

________________________________________________________________________

________________________________________________________________________

(List all individuals including name, title, institution/business and general location such as country)

3. My personal information is collected for the following purpose(s):

________________________________________________________________________

________________________________________________________________________

(List all the purposes for which the personal information will be used)

4. This consent to collect indirectly my personal information expires on:

________________________________________________________________________

(Specify the date on which the consent will expire)

No indirect collection and use of personal information about me beyond the terms described above is permitted without my express written authorization or unless permitted by law.

Signature of person giving consent _______________ Effective Date _______________
