Paperwork Requirements for Bubblemaker Pool Experience

Dear Participant,

We are excited that you want to explore the underwater world with us!! Before we can start, there is important paperwork that needs to be completed.

When you sign up for your program, you will be given either the Bubblemaker Statement in which you need to complete. Your PADI Scuba Instructor will need to collect this form from you before you can go into the pool. It is very important to fill this form out completely, or you may not be able to participate!

Special considerations are as follows:

Complete the Medical Questionnaire by answering “Yes” or “No” to each question. If you have any “Yes” answers, please contact a staff member at Ocean Quest as you may need to have signed permission from a Physician prior to participating in any Scuba Diving activities.

On the Liability Release and Assumption of Risk form please ensure you fill in the blank spaces as follows:

I, (participant Name) – (Your Name),

Dive professionals conducting this program – Pro Staff of Ocean Quest,

Nor the facility for which this activity is conducted – Ocean Quest Dive Centre

For participants under the age of 18, please ensure that the Medical Questionnaire and the Liability Release and Assumption of Risk forms are signed by both the participant and Parent/Guardian.

Lastly, please ensure the Participant Registration Form (Discover Scuba Diving pamphlet only) is completely filled out.

If you have any questions pertaining to the paperwork or program, please do not hesitate to contact Ocean Quest Staff.

Thanks!
