Dear Participant,

We are excited that you want to explore the underwater world with us!! Before we can start, there is important paperwork that needs to be completed.

When you sign up for your program, you will be given 3 forms; the PADI Liability Release and Assumption of Risk Agreement, the PADI Safe Diving Statement of Understanding and the PADI/RSTC Medical Statement Your Scuba Instructor will need to collect these forms from you on the first day of training. It is very important to fill this form out completely, or you may not be able to participate!

Special considerations are as follows:

Complete the Medical Questionnaire by answering “Yes” or “No” to each question. If you have any “Yes” answers, please contact a staff member at Ocean Quest as you may need to have signed permission from a Physician prior to participating in any Scuba Diving activities.

On the Liability Release and Assumption of Risk form please ensure you fill in the blank spaces as follows:

I, (participant Name) – (Your Name),

I understand and agree that neither my instructor(s), – Pro Staff of Ocean Quest,

the facility through which I receive my instruction,– Ocean Quest Dive Centre

For participants under the age of 18, please ensure that all forms are signed by both the participant and Parent/Guardian.

If you have any questions pertaining to the paperwork or program, please do not hesitate to contact Ocean Quest Staff.

Thanks!
