Offer a safe and fun Halloween experience to local elementary school students visiting SFU’s Surrey campus to trick-or-treat. Help break down barriers to post-secondary education while leading groups of elementary school students to decorated departments around campus and helping them experience the magic (and the treats) of Halloween!

**SKILLS REQUIRED:**

- Currently enrolled in OR graduated from an undergraduate degree, graduate degree, or Continuing Studies program at SFU (SFU students and alumni welcome!)
- Excellent oral communication skills
- Strong interpersonal and conflict management skills
- Friendly and welcoming demeanor
- Excellent time-management skills
- Willingness and ability to guide children
- Previous experience working with children will be considered an asset
- Volunteers must attend a mandatory training session
