MAKE A DIFFERENCE IN A FAMILY’S LIFE BY DEVELOPING YOUR SKILLS IN EARLY LEARNING.

The Surrey School District (SD36), the SFU Surrey–TD Community Engagement Centre, and Blackwood Partners are collaborating to run a drop-in Early Learning for Families (ELF) program at the Central City Shopping Centre. ELF brings early learning initiatives out of the schools and into the community by offering pop-up programming at the Central City Shopping Centre in Surrey. The program links families and their children to play-based learning, school and community resources, and support networks. In addition, the ELF Program helps to eliminate barriers that families face when first entering the education system. Some of the fundamental characteristics of the program are:

- Child-centered, play-based learning;
- Parent engagement;
- A focus on early literacy and numeracy;
- Links and referrals to the SD36 and community resources.

Activities will include coloring, drawing, reading, toys and much more!

YOUR ROLE

SFU students assist with program facilitation by setting up the physical space, engaging children and parents in play-based learning activities, and using skills in communication, patience, creativity and supervision to create a safe and entertaining environment for program participants.

In this role, you will:

- Identify the important elements of an inclusive and play-based learning curriculum that provides a welcoming and responsive environment for all families and supports children in their learning;
- Identify the important elements of safety for the successful delivery of early learning programs;
- Apply learned knowledge of early learning curriculum by assisting in the facilitation of activities that support children’s learning and development;
- Apply learned knowledge of early learning curriculum by coming up with new ideas for activities, or by altering existing activities to meet the needs and interests of the children and families attending the program;
- Apply interpersonal, relationship-building and empathy skills through communication with families from different backgrounds who may be experiencing a variety of barriers.
Other benefits:

- Develop your expertise in teaching and working with children.
- Develop experience in a school-run program.
- Build connections with the Surrey School District.
- Increase your experience in Early Learning.
- Develop interpersonal, communication and teaching skills.
- Use your skills to help others.
- Earn credit on your co-curricular record.

Program dates:

January, 2020 – June, 2020

The Early Learning for Families Program will be held every Wednesday from January 8, 2020 – June 17, 2020. There will be no sessions on March 18th, or March 25th.
