YOU'RE INVITED
SFU ImageTech Lab Grand Opening
Tuesday, Sept. 18

Andrew Petter, President and Vice-Chancellor of Simon Fraser University invites you to the grand opening of the SFU ImageTech Lab, a world-class research imaging facility.

The lab uniquely includes both high field 3T MRI and high density 275-channel MEG technology, offering researchers the best possible technology to probe into the working brain in real time.

The SFU ImageTech Lab exemplifies SFU's strategic vision to be Canada's engaged university, integrating innovation with trailblazing research and community engagement. SFU's outstanding research infrastructure supports researchers and trainees across the university and beyond.

TUESDAY, SEPT. 18, 2018
9:30 AM  Opening Program
Guided lab tours and refreshments to follow.
