On May 10, 2004, Senate approved the final recommendations of the Undergraduate Curriculum Implementation Task Force. The following University-wide graduation requirements came into effect for students admitted to SFU in the Fall of 2006, onwards:

*   1 course (minimum 3 credits) of Writing (W), at the Upper Division, within the student’s discipline;

** 1 course (minimum 3 credits) of Quantitative (Q);

A grade of C- or better is required to earn W or Q credit.

* Example of W courses in CMNS at the Upper Division are CMNS 304-4 and 323-4.

** Example of Q courses in CMNS are CMNS 260-3 and CMNS 363-6.

A course that is required for a CMNS Honours for a 2nd BA degree that is listed on the other side of this page that is also a W or Q course, may be counted for both requirements. E.G., CMNS 304-4 is a W course, and would also be counted as one of the 7 CMNS Upper Division courses required for a CMNS Honours. CMNS 363-6 is a Q course, and would also be counted as one of the 7 CMNS Upper Division courses required for a CMNS Honours.
