On May 10, 2004, Senate approved the final recommendations of the Undergraduate Curriculum Implementation Task Force. The following University-wide graduation requirements came into effect for students admitted to SFU in the Fall of 2006, onwards:

- FAL (Foundations of Literacy)
- FAN (Foundations of Numeracy)

* 1 course (minimum 3 units) of Writing (W), at the Upper Division, within the student’s discipline;

** 1 course (minimum 3 units) of Quantitative (Q).

A grade of C- or better is required to earn W or Q credit.

* Examples of W courses in CMNS at the Upper Division are CMNS 304-4, 323-4, and 455-4.

** Examples of Q courses in CMNS are CMNS 201-4 (formerly 260-4) and CMNS 325-4.

A course that is required for a CMNS program for a 2nd BA degree that is listed on the other side of this page that is also a W or Q course, may be counted for both requirements. E.g., CMNS 304-4 is a W course, and would also be counted as one of the CMNS Upper Division courses required for a CMNS program. E.g., CMNS 325-4 is a Q course, and would also be counted as one of the CMNS Upper Division courses required for a CMNS program.
