After the previous SGSC meeting, P. Liljedahl followed up with concerned academic units to address procedural issues. All the concerns were resolved. SGSC was informed that e-forms will be implemented for on-leave requests, but before they are ready for use, academic units may send a spreadsheet to the DGS office with all students going on-leave in the same term.

Any references to the other GGRs under review have been removed; therefore, GGR 1.4.3, 1.8.4 and 1.8.5 can be approved separately.

An SGSC member expressed that the GGR revisions were appreciated for creating harmonization with other institutional practices and allowing greater flexibility. The revisions to the on leave policy are considered beneficial to students, faculty, and staff.

Motion P. Ruben, seconded by M. Moore
