The Faculty of Education, Professional Programs invites experienced teachers to apply for the position of **Faculty Associate** for the **Professional Linking Program (Prince Rupert)**. This is a part-time (0.5) appointment commencing January 1, - June 30th, 2020; Sept. 1 - December 31, 2020 and a full-time appointment thereafter from January 1, 2021 - April 30, 2021. The method of appointment is usually by secondment from a school district.

**General Responsibilities:**

Working individually, the PLP Faculty Associate has two primary responsibilities—the development of the module's program in partnership with a Faculty Member and the supervision of student teachers during their practicum and in-school assignments. Faculty Associates also provide individual and group instruction in exploring theory and practice with the students in their module. They are also responsible for maintaining effective liaison between the Faculty of Education and the public schools.

PLP Faculty Associates are required to drive considerable distances as the program will make use of practicum placements and school experiences throughout Prince Rupert. The Faculty of Education welcomes applicants from a variety of backgrounds that reflect the diversity of Canadian society.

Selection of candidates is made based on at least the following criteria:

* demonstrated ability to work as a member of a team
* willingness to examine and refine one's practice
* curriculum and instructional needs of the program
* normally five years of demonstrated excellence in public school teaching
* sensitivity to equity issues
* experience working with paraeducators in the classroom
* work experience with adult learners (recommended)
* previous PDP Faculty Associate experience (recommended)
* previous School Associate experience (recommended)
* experience with computer technology (recommended)
