Located in the beautiful West Kootenay region of British Columbia, mid-way between Vancouver and Calgary, School District 20 (Kootenay-Columbia) is comprised of many small and mid-sized communities, most of which are located along the Columbia River. The largest of these communities are Castlegar, Trail, Rossland, Warfield and Fruitvale.

All of the communities in the West Kootenays are affordable, a unique aspect of the region when compared to other areas of the province. We are home to a major regional hospital, two regional airports, Selkirk College (with campuses in Castlegar and Trail), a world-class ski hill (Red Mountain), shopping and dining options galore, many sporting opportunities and events.

We are seeking French Immersion Teachers to start September 1, 2019.
