Temporary – Biology 11 & 12, Jr. Science and Jr. Math Teacher

FTE: 1.0 Temporary
Location: North Vancouver Distributed Learning (located at Mountainside Secondary)
Start/End Dates: Start ASAP / End June 30, 2019
Salary: Salary and Benefits as per the Teachers’ Collective Agreement

NATURE OF THE ASSIGNMENT
The successful applicant will use expertise in curriculum, teaching & learning, and technology to support youth and adult students in an interactive, self-paced online environment. Responsibilities include working collaboratively with students, families, mainstream teachers & counsellors, and administrators; developing New Curriculum course materials & assessment in Moodle; and providing online and face to face support.

This assignment includes some scheduled time outside of regular school hours, including afternoon & evening face to face and e-Campus hours.

NECESSARY QUALIFICATIONS
• A Bachelor of Education Degree (Secondary) specializing in Biology and Mathematics.
• Successful experience teaching Biology, Junior Science and Junior Math at the Secondary level.
• Successful experience developing New Curriculum courses
• Successful experience with online learning as a teacher and/or student
• Experience using Moodle or other online learning platform is desirable

GENERAL QUALIFICATIONS, ATTRIBUTES and EXPERIENCE
• Strong commitment to excellence in teaching and demonstrated teaching ability.
• Demonstrated ability to design and implement a variety of assessment practices to measure and monitor student progress effectively.
• Strategies to identify learning difficulties and implement effective intervention to maximize academic success.
• Demonstrated successful experience supporting the success of all learners in an inclusive environment.
• Strong organizational skills.
• Excellent oral communications, written communication, and group facilitation skills.
• Superior work ethic and social emotional competencies, excellent reflective judgment, and commitment to building effective learning communities.
• Comprehensive understanding of curriculum.
• Confidence and proficiency in using instructional organizers, concepts, and strategies that actively engage all students in learning.
• Ability to positively influence instruction, curriculum, assessment, and social-emotional learning practices in a collaborative environment.
• Knowledge and understanding of the application of relevant computer technologies to teaching and learning.
• Willingness to be involved in professional development, with an ongoing commitment to learn and implement new methodologies and strategies.
• Demonstrated ability to work collaboratively with students, parents, and staff to enhance the school as a learning community.

**CONDITIONS OF EMPLOYMENT:**

• Possession of a BC Teaching Certificate
• Membership in the BC Teacher Regulation Branch.
• A member of the North Vancouver Teachers’ Association and the BC Teachers’ Federation.

**SALARY & BENEFITS:**

Earnings range from $46,091 - 89,018 per annum for full time work (pro-rated for part time), depending on the TQS category and experience level of the teacher.

Teachers are entitled to a comprehensive benefits package including:

**medical, dental, and extended health plans:**

• group life insurance benefits;
• teachers’ pension;
• extended health benefits for dependents of deceased employees;
• accidental disability insurance;
• salary indemnity plan benefit;
• supplemental employment benefits on maternity leave;
• employee and family assistance programs.

**NOTE:** We thank all applicants for their interest; however, only those who possess the required qualifications as mentioned above will be contacted. Due to a high volume of applications, we are unable to notify unsuccessful applicants or respond to inquiries regarding the status of applications.
