Behavioral Interventionist Job
(South Burnaby – near Royal Oak skytrain)

A great opportunity for Students in the following fields: Child, Family & Community Services, Applied Behavior Analysis, Psychology and Social Work, etc.

Job description:
===============
- We are looking to hire a Behavior Interventionist who is enthusiastic, fun, creative, and enjoys working with kids.
- Preference will be given to those BIs with experience.
- Training and on-going support will be provided by our BCBA. Because of this training, we require you provide a one year minimum commitment to the position.
- Pay will be based on level of experience, and can be negotiated over time.
- This is a great opportunity for individuals interested in working with young children with special needs.
- South Burnaby, 5 min walk to Royal Oak skytrain (home-based ABA program).
- Some sessions may take place in nearby (Burnaby) daycare or preschool.

Required Skills and Qualifications:
=======================================
- At least 19 years old
- Able to provide criminal record check
- Reliable, patient and consistent
- Have strong play skills
- Able to work collaboratively with a team
- Willing to commit for 1 year
- Fluent in English (mandatory)

If joining our team and making a positive change in a child's life interests you, please send us your resume, cover letter and your availability.

Please call or email your resume and cover letter.
