What is EPIK?

EPIK is a full-time teaching position available in metropolitan and provincial locations, from primary through secondary schools nationwide. Established in 1993 as part of the Ministry of Education’s initiative to enhance the national English curriculum, EPIK is a rewarding experience for those pursuing a future in teaching English as a foreign language. Teachers receive a one-year contract and work Monday-Friday in Korean public schools placed all over Korea.

The Republic of Korea is a country in Northeast Asia that has made an unprecedented economic transformation in 60 years. It is an international leader in technology and a country with a long and rich tradition of investing heavily in education. Despite the small size of the country, the strength of the Korean education system has paved the way for cultivating leaders of the world.

South Korea is also known as: The Land of the Morning Calm (in Korean, It’s famous for its beautiful landscapes and fascinating cities. Historic temples, towering skyscrapers, and calm beaches abound in South Korea.)

Intro to Korea
