Pre-School English Teaching Internship

Established since 1996, Novel Learning Centre is a renowned premium education provider from Singapore, specialising in English, Mathematics and Science for pre-school to pre-university levels.

The early childhood education scene in China has rapidly evolved over the last decade as China opens up internationally. There is also a growing demand for the children in China to learn English from a young age.

Therefore, our company has introduced our widely popular and successful preschool curriculum from Singapore to China. At the same time, our company is also dedicated to nurturing a new generation of preschool educators and helping them contribute proactively and meaningfully to early childhood education.

As such, we are actively seeking Full-time English Teachers to teach 3 to 6 years old children in downtown Chengdu, China.

Job Responsibilities:
- Planning and implementing programme for children in accordance with our centre's guideline and framework.
- Responsible for the upkeep of teaching resources and learning environment of the classroom.
- Prepare learning materials and conduct age-appropriate activities for the children.
- Any other duties that may be assigned by the centre from time to time.

Job requirement:
- Certificate, Diploma or Bachelor's degree in Early Childhood Education preferred.
- Applicants with no experience are welcome to apply.
- Must be a native English speaker as lessons will be conducted in English.
- Possess excellent communication and interpersonal skills.
- Passionate about working with children from 3 to 6 years old.
- Able to work independently as well as within a team.
- Enthusiastic, imaginative and energetic individual capable of gaining the full potential from each child.

Benefits:
- Monthly allowance of RMB 3000.
- Accommodation and lunch will be provided.
- Transport allowance.
- 6 months contract.
- Visa application.
- New and modern preschool with state of art facilities.
- 5 days work week, no work on weekends.
- Program support provided.
