Tutor - Math & Programming (Scratch)

Location: SFU Highland Elementary (enrolled in Crackers program at SFU Childcare Society)

Role: Seeking a tutor student interested in helping with homework and teaching math and programming (Scratch) to two boys, aged 8 and 6 (Grade 2 and Kindergarten, respectively), for the upcoming school year. Ideally, tutoring would occur twice a week, from 4pm to 6pm, at SFU. Permission can be given so that the kids can be picked up from Crackers and be taught on campus.

Deadline to Apply: Ongoing

How to Apply: Taran Grey: taran.grey@gmail.com
