Faculty of Arts and Social Sciences

TA/TM Hiring Priorities

Priority of qualified applicants to TA and TM positions for appointments in the academic unit of the Faculty of Arts and Social Sciences is in accordance with Articles XIII and XV of the Collective Agreement.

If an assignment within a priority group requires a selection between applicants, the unit will consider the following:

- Instructor requests;
- Applicant preferences;
- Expertise in the subject matter/area
- Suitability for particular courses (e.g. prior degree(s), publications, and/or experience);
- Employment evaluations.

If an assignment within a priority group requires a selection between applicants, a graduate student (i.e. the applicant) without financial support from merit based scholarships or merit based fellowships during the semester of appointment with a value equal to at least 5.17 dbase units, will have priority for the appointment.
