The **Peter Schaub Memorial Book Prize** was established to honour the memory of Peter Schaub, a former Dean's medal winner and outstanding geography student who was an active participant in the Geography Student Union (GSU). We award this prize annually to a Geography major student from the graduating class who has made a significant contribution to the Department through the GSU.

The **Kim Fofonove Memorial Book Prize** was established by members of the Department and by friends of former geography student Kim Fofonove. Each year this prize is awarded to an outstanding geography major or honours student from the graduating class.
