

Invites applications for the following position (s):

COMPETITION NUMBER: 476

Administrative and Professional Staff (APSA)

Continuing Position

TECHNOLOGY MANAGER, GRADE 11

VPR INNOVATION OFFICE

POSITION NUMBER: 64968

REPOST

(If you applied to the original posting, you will be included in this competition.)

POSITION OUTLINE:

Reporting to the Associate Director, the Technology Manager oversees the management of University innovations and intellectual property in the fields of digital media, entertainment, gaming, e-learning, software, firmware, computers and digital media and mechatronic devices, and other media applications and content. The Technology Manager also identifies, assesses, markets, and commercializes University technologies with an emphasis on digital technology innovations.

Please note: This position is located at Central City, Surrey, BC.

QUALIFICATIONS:

- Master's degree in Science, business, or a related field, with six years of professional experience including experience in research, business development, and financing in the field of digital technology, or an equivalent combination of education, training, and experience.
- Excellent knowledge of research, business development, and financing of technological innovation in the field of digital technology.
- Good understanding of university and corporate cultures.
- Excellent organizational ability, initiative, and independent judgment.
- Superior interpersonal and communication skills to effectively deal with University, business, and government professionals.
- Excellent analytical and decision making skills.
- Ability to manage several projects and technologies concurrently.
- Strong marketing and presentation skills.

SALARY RANGE:

\$68,268 to \$81,524 per annum

START DATE:

ASAP
