Invites applications for the following position(s):

COMPETITION NUMBER: 680
C.U.P.E. Local 3338 – Temporary Position
TECHNICIAN, GRADE 9
SCHOOL OF COMMUNICATION

POSITION NUMBER: 30996

POSITION OUTLINE:
Under the direction of the School of Communication’s Lab Instructor, organizes and administers the installation, operation, maintenance, and technical support of the Sonic Studio, the Applied Communication Media Lab, and the Media Analysis Laboratory complex within the School. Instructs faculty, staff and students in the operation of lab equipment and in production procedures. Performs other duties and responsibilities consistent with the job description and classification on request. Please note: An Internal Candidate has been identified.

QUALIFICATIONS:
- **High school graduation and a diploma in audio-video production.
- **3 years of related experience.
- Ability to train others in the use of laboratory audio-video and computer equipment, applications and procedures.
- Ability to operate and maintain multi-format audio-video recording and editing equipment.
- Ability to operate and do minor installations and maintenance of computer hardware and software in a multi-operating system and multi-platform environment.
- Ability to write ad-hoc inquiries using database software, automated scripts and debugging applications.
- Ability to adapt to new audio-video and computer equipment, applications and procedures.
- Thorough knowledge of audio-video production techniques, methods and procedures.
- Working knowledge of network operating systems and Internet network infrastructure.
- Working knowledge of data storage applications and procedures (e.g., automated backups, CD-ROM production, tape storage).
- Working knowledge of communication applications and procedures (e.g., teleconferencing, broadcast formats, electronic mail).
- Working knowledge of web based protocols (e.g., HTML, SQL, PHP and media compression algorithms).
- Excellent interpersonal, oral and written communication skills.
- Excellent organizational skill.
- Good analytical reasoning and problem-solving skills.
- Good research skill.
- Working knowledge of budget and resource allocation, planning principles and concepts.
- Ability to exercise mature judgment and initiative.
- Ability to work independently and to meet deadlines.
- Ability to lift, move or carry equipment and materials up to 25 kg.
- Ability to work in confined spaces (e.g., under desks) to do equipment installations, maintenance, repairs and upgrades.
- Ability to work additional hours (occasionally) as required.
- **or an equivalent combination of formal education, certificate/program of study and experience is acceptable.

HOURLY SALARY: $26.43
START DATE: ASAP
POSITION END DATE: September 30, 2018

A detailed resume and cover letter quoting Competition #680 must be received in our office by 4:30 pm on November 20, 2017, addressed to the attention of Francesca Turrell, Human Resources Advisor.
