Invites applications for the following position(s):

COMPETITION NUMBER: 749

Administrative and Professional Staff (APSA)  
Continuing Position  
ASSOCIATE DIRECTOR, COMMUNITY SYSTEMS, GRADE 13  
IT SERVICES – APPLICATION SERVICES  
POSITION NUMBER: 116771

POSITION OUTLINE:
The Associate Director, Community Systems provides leadership for the university’s academic, identity management and content management technologies. The Associate Director is responsible for the development and/or selection, implementation, and support of large-scale software applications. Working in partnership with members of the university community, the Associate Director plans, coordinates, and manages software development; the deployment of enterprise-level services; and the allocation of team resources to successfully complete projects that align with the university’s priorities.

QUALIFICATIONS:
- Bachelor’s degree in Business Administration, Computing Science, or related discipline, with eight years of experience leading a team of technical and professional staff comprised of software developers, technical administrators, business analysts, interface designers, and technical support staff, and with experience in the preparation and presentation of comprehensive plans and reports, or an equivalent combination of education, training, and experience.
- Excellent knowledge of collaborative software applications (e.g., Zimbra), learning management systems (e.g., Canvas, LON-CAPA), identity management (e.g., CAS, Shibboleth, LDAP, Active Directory) and web content management systems (e.g., Adobe Experience Manager, MS SharePoint).
- Excellent knowledge of current academic, identity management and web technologies.
- Excellent knowledge of email and content management systems.
- Excellent technical strategic planning skills.
- Excellent leadership, supervisory, and interpersonal skills.
- Excellent communication skills (verbal, written, and presentation).
- Excellent analytical reasoning, problem-solving, time management, and organizational skills.
- Ability to provide input and contribute to the development of institutional policies.
- Ability to maintain confidentiality.

SALARY RANGE: $85,767 to $102,419 per annum

START DATE: ASAP

A detailed resume and cover letter quoting Competition #749 must be received in our office by 4:30 pm on January 10, 2018, addressed to the attention of Linda Chan, Human Resources Advisor. Please follow the application instructions at: http://www.sfu.ca/hr/prospective_employees/HowToApply.html.

We thank all applicants for their interest; however, only those selected for interviews will be contacted.

The University is committed to the principle of equity in employment
