How to submit a Job Evaluation request:

Notes:

- The Compensation Requisition Form has replaced all other forms for Job Evaluation requests.
- Requests with missing documents will not be placed in the queue until all required documents are submitted.
- Job Evaluation priority order: Positions for posting, Re-organizations, Additional duties, Occupied re-evaluations.
- Please ensure you have reviewed all documentation carefully before submission and consulted with your HR Business Partner (if required). This will be used to determine the final classification. The compensation team is accountable for determining the final decision regarding the grade and classification based on the information provided by the leader.
- Timelines are based on volume and JE Priority order. Please keep this in mind when planning your JE request.
