This booklet contains information about your Group Benefits. Please keep it in a safe place. It is intended to summarize the principal features of your plan. All rights to benefits are governed by the Group Contract/Policy.

The Group Policy contains a provision removing or restricting the right of the Member to designate persons to whom or for whose benefit insurance money is to be payable.

The Group Contract does not permit a Member or Dependent to designate a personal representative or a beneficiary to receive benefits.

Defined terms are capitalized (e.g. Dependent). Pacific Blue Cross (PBC) and British Columbia Life & Casualty Company (BC Life) are referred to as “we”, “us”, or “our” in this booklet. We will refer to you, the employee/Member, as “you” or “your” in this booklet.

Pacific Blue Cross, the registered trade-name of PBC Health Benefits Society, is an independent licensee of the Canadian Association of Blue Cross Plans.

Coverage is provided through:

**Pacific Blue Cross**
- Extended Health Care (EHC)
- Dental Care

**BC Life**
- Short Term Disability (STD)

**Member Information/Access to Records**

1) Each Member who becomes insured under the Group Contract/Policy must receive an ID card if covered for Extended Health Care and/or Dental Care, and for all benefits a booklet outlining the benefits, the circumstances under which the insurance terminates, and the rights of the Member upon termination of the insurance. We will not be liable or responsible for errors or omissions, which occur when; our booklet is altered in any way. A
booklet issued to or held by a Member who, for any reason, is not entitled to insurance under the Group Contract/Policy, is not valid.

2) Only the Member and Dependent(s) are entitled to the benefits of this Contract/Policy. A Member’s coverage may be suspended immediately, without notice, if that Member or a Member’s Dependent assists an ineligible person to obtain, or attempt to obtain, benefits to which they are not entitled. The persons involved must repay any amounts obtained in this manner to us. Any other fraudulent action by a Member or Dependent to obtain or attempt to obtain benefits will have similar consequences.

3) Use of an ID card by a person who is not entitled to coverage may result in prosecution of that person.

4) The terms of the Group Contract/Policy govern if they conflict with the information in a booklet.

5) Upon request, and at no charge to the Member, we will provide the Member with one copy of:
   a) the Member’s application for coverage
   b) the current Contract/Policy
   c) any written statement or other record provided to us as evidence of insurability of the Member.

6) A Member’s access to the documents identified in clause 5 extends only to relevant information about a claim under the Group Contract/Policy or denial of such a claim.

7) A Member’s access to the documents identified in clause 5 is subject to the Personal Information Protection Act and to the Insurance Act and their Regulations.

Integration with Government Plans

Extended health care benefits are intended to supplement and not overlap benefits under government plans such as the Medical Services Plan and Fair PharmaCare Program of British Columbia. You are required, as a condition of coverage, to qualify and obtain the fullest extent of coverage, benefits, contribution, or reimbursement available under all applicable government plans. We will also make payment only where permitted by provincial/territorial legislation or other applicable law.
Effective Date of Coverage and Enrolment

If you are eligible for coverage, you must complete an application card within the Enrolment grace period to ensure that your coverage starts on the correct effective date.

You should apply for Dependent coverage (when applicable):
1) on the same date you apply for your own coverage, or
2) within the Enrolment grace period if you have a new Dependent.

Limitations:
1) If you are not actively at work on your coverage effective date, your coverage effective date will be delayed until you return to active full-time employment.
2) If we do not receive your application card within the required time limits, please refer to the Late Applicant section.

Provided you and your Plan Administrator have complied with our enrolment rules, your coverage effective date is shown on our website at www.pac.bluecross.ca/caresnet or from your Plan Administrator.

Should you require additional information about when your coverage starts, please contact your Plan Administrator.

Late Applicants

If you did not apply during the Enrolment grace period but request coverage later (for yourself and/or your Dependents), ask your Plan Administrator to explain the requirements for late enrolment in your Group Plan. Note: Different benefits may have different requirements—evidence of insurability or retroactive premium payment. In some instances, coverage may be denied.
**Beneficiary**

1) To the extent permitted by law, you have the right to name a personal representative or beneficiary for Life and Accidental Death and Dismemberment benefits or change this personal representative or beneficiary, by written request in a form satisfactory to us. If your designated personal representative or beneficiary does not survive you, any benefit amount due will be payable to your estate.

2) For all other benefits this plan does not permit you or your Dependents to designate a personal representative or a beneficiary to receive benefits.

**Identification (ID) Cards**

We will issue identification (ID) cards for distribution by your Plan Administrator.

You may be asked to substantiate that an individual you claim as a Dependent meets the definition of Dependent for your group.

**Claims**

1) All claims must be submitted to us in English.

2) We pay eligible claims when we receive all the required information within the required **time limits**. We encourage you to become familiar with the time periods allowed for claiming benefits. Under the Claims sections, we fully describe the claiming deadlines for each benefit. No payment will be made if we receive your claim after the time limits described in this booklet.

3) We may reject your claim if sufficient information is not provided to enable a full assessment of the claim, or if an attempt is made, except through unintentional error, to make an excessive claim, or if a claim is made for a person who is not entitled, or if any Group Contract/Policy exclusion applies.
4) The necessary claim forms are available from your Plan Administrator or on our website at [www.pac.bluecross.ca/caresnet/](http://www.pac.bluecross.ca/caresnet/)

5) The exchange rate on foreign currency is payable at the rate quoted by selected Canadian financial institutions for the date on which the expense was paid. Fluctuations in exchange rates are not our responsibility.

**Duplicate Coverage**

If you and your Spouse work for the same employer, please check with your Plan Administrator to see if Duplicate coverage is allowed for dental and extended health care benefits.

If you and your Spouse work for different employers and you are both enrolled for similar benefits, Duplicate coverage is allowed.

If you are eligible for Duplicate coverage, you and your family should discuss both plans (and what portion of the benefits you pay) to determine whether it is to your advantage to enrol under more than one plan.

Your Plan Administrator will advise you if you are eligible to waive certain benefits under this group plan.

**Coordination of Benefits**

If Duplicate coverage is allowed, we pay claims based on the rules of the Canadian Life and Health Insurance Association guidelines. They are:

1) The Member is always the primary claimant. The Spouse is always the secondary claimant.

2) Dependent children are always covered primarily under the parent who has the earliest birthdate in the year (month and day).

3) In situations of separation or divorce, the following order applies:
   a) the plan of the parent with custody of the child
   b) the plan of the Spouse of the parent with custody of the child
   c) the plan of the parent not having custody of the child
   d) the plan of the Spouse of the parent in c) above.
4) Total reimbursement shall never exceed 100% of the Eligible expenses.

**General Exclusions**

1) We will not be liable for any portion of an expense for which you or your Dependent is entitled to reimbursement:
   a) under any other group or individual benefit plan or insurance policy, or
   b) due to the legal liability of any other party.
2) In no event will benefits be payable for expenses resulting directly or indirectly from, or in any manner or degree associated with, any of the following:
   a) intentional self-inflicted injury while sane or insane, war, whether declared or undeclared, or any act of war, or participation in a riot, insurrection, or civil commotion
   b) active duty in the military forces of any nation or international organization, or in any civilian noncombatant unit which serves with such forces in combat
   c) a direct or indirect attempt at, or commission of, an indictable offense under the Criminal Code of Canada or similar law of any other country
   d) false pretences or fraudulent misrepresentation
   e) any injury, illness, or condition for which care is provided or may be provided or available without cost by public authorities or by a tax-supported agency, including preventive treatment and services available under any Workers' Compensation Act or similar plan.

**Legal Action**

Every action or proceeding against us for the recovery of benefits payable under the Group Contract/Policy is absolutely barred unless commenced within the time set out in the *Insurance Act.*
Termination of Coverage

Generally, your coverage (and any Dependent coverage) terminates if you cease to be eligible due to change of group, leave of absence, age limitation or retirement, if you terminate your employment, or if the group plan terminates, etc. For further details on termination of coverage, please have your Plan Administrator refer to the Group Contract/Policy.

Right of Recovery

You are financially responsible for any claims paid by us on your or your Dependent’s behalf after coverage is terminated from your employer’s benefit plan. You agree to reimburse us for these payments upon receipt of our invoice.

Conversion to an Individual Plan

Should your group coverage terminate for any reason, you may purchase an individual plan from Pacific Blue Cross if you live in British Columbia, or an individual plan offered by your local Blue Cross organization if you live elsewhere in Canada.

To convert coverage you must ensure that your application and full payment is received by us or Blue Cross within 60 days of the date your group plan terminates. To be eligible to convert, you must have had coverage under a group plan with the same benefits for at least 6 months. Coverage will become effective immediately after your group coverage terminates.

If you qualify for one of our individual plans under the conversion option, we will waive the Pre-existing condition contained in the individual plan.
Pre-existing condition
means any illness or condition for which you receive medical attention, consultation, diagnosis, or treatment in the 12 month period before you apply for the individual plan.

Call our Individual Products Department at 604 419-2000 for an application form.

If you are converting to an individual plan offered by Blue Cross, contact your local Blue Cross organization for full details before your group coverage terminates.

Individual Travel Benefits

Individual coverage is also available from us. Call 604 419-2000 or 1 877 PAC-BLUE (722-2583) outside the Lower Mainland for information.

1) Present your ID card to your Dentist’s office. It is important to ask if your dental benefits will cover the entire cost of your treatment. To avoid any misunderstanding, we suggest that your Dentist submit an outline of the proposed services to us before you start treatment. This is important especially when your Dentist is recommending extensive dental work. This will help you understand what portion of the Dentist’s bill must be paid by you in the event that you wish to proceed with the treatment recommended by your Dentist.

2) We suggest that you submit claims within 90 days of the completed date of services (earlier if possible). Failure to submit a claim within the 90 day limit will not invalidate the claim if it is submitted as soon as reasonably possible. However, in no event will we pay any claim or adjustment received later than 12 months from the date the service is performed.

3) We require a separate claim form for each member of your family who has received dental services. Be sure to include the following information on the claim form:
   a) name of the Dentist
   b) name and birthdate of the person receiving the dental care
   c) your policy and ID numbers (this information is on your ID card)
   d) your home mailing address

If you or your Dependents are covered by two plans, your Dentist must complete two separate dental claim forms (one for each plan). Incomplete claims will be returned for clarification.
4) Before your Dentist starts treatment, please ask them how billing is made. We may pay in either of two ways:
   a) If you have paid your Dentist directly, we will reimburse you the benefit amount when we receive:
      i) a claim form signed by the patient that is either submitted with a receipt or is signed by the dental Provider showing the services performed and the fee charged, or
      ii) an electronic claim showing the services performed and the fee charged. The dental Provider must have the consent of the patient on file to permit the disclosure of the patient’s personal information between the Provider and Pacific Blue Cross.
   b) For pay direct claims, we will pay the benefit amount to the Dentist directly for services provided under this benefit plan when we receive:
      i) a claim form showing the services performed and the fee charged, signed by the patient and the dental Provider, or
      ii) an electronic claim showing the services performed and the fee charged. The dental Provider must have the consent of the patient on file to permit the disclosure of the patient’s personal information between the Provider and Pacific Blue Cross.

5) Orthodontic Claims Procedures
   a) Receipts
      Please submit original receipts as photocopies are not accepted. Do not hold receipts until the completion of treatment.
   b) Claiming deadlines
      i) We suggest that you submit orthodontic claims within 90 days of the date the payment was due to your orthodontist (the due date).
      ii) Reimbursement is made if the complete and correct claims information is received within 1 year of the due date. However, no benefit is payable for claims not received within 12 months of the due date.
   c) Treatment plan
      i) Have your orthodontist complete the “Certified Specialist in Orthodontics Standard Information Form” (the treatment plan) before treatment starts. The treatment plan must include a brief description of treatment to be
performed, a breakdown of the fees to be charged, and the estimated length of treatment.

ii) If the payment schedule or treatment changes, we require a revised treatment plan for review.

iii) We will retain your treatment plan on file. If we do not have your treatment plan on file we are unable to pay:
   - your initial fee/down payment
   - your monthly/quarterly fees
   - one time appliance fees

iv) Claims for consultations, exams and records (x-rays, study models, etc.) will be reimbursed without a treatment plan on file.

d) Monthly or quarterly fees

i) If you are paying in monthly or quarterly installments, submit receipts for the monthly or quarterly fees on a regular basis – as treatment progresses. Claims receipts received by us which are over 12 months old will not be reimbursed.

ii) If you paid any amount to the Dentist before treatment is complete, we will allow an initial payment amount and then prorate the balance into monthly payments to you throughout the treatment plan period.

Definitions

Day surgery
means admission to a public general hospital for a surgical procedure where the patient is released from the hospital the same day. Note: diagnostic procedures do not qualify as a surgical procedure.

Hospitalization
means admission to a public general hospital for at least 1 overnight stay as an in-patient.

Recurrent disability
means a disability that is related to or due to the same medical condition as a prior disability for which you received benefit payments, regardless of its cause.

Benefit

We will pay short term disability (STD) benefits when you are disabled and prevented from working as a result of an accident or sickness for which Workers’ Compensation benefits are not payable.

The elimination period is a period of time, when you are continuously disabled, which must be completed before your claim for benefits will be considered. Benefits commence on the day after the elimination period expires or on the first day you were seen and treated by a physician or chiropractor – whichever is later – and will be paid only during periods of disability when you are under his or her regular care.
and following the treatment prescribed. Certification of disability beyond a 6 week period must be made by a physician.

The weekly benefit amount, the elimination period, and the maximum benefit period are shown in the Schedule of Benefits.

**Recurrent Disability**

A Recurrent disability will be treated as part of the prior disability for determining the maximum benefit period of 26 weeks, unless:

1) the later disability is due to a medical condition that is wholly different than that of the prior disability, and

2) it commences after you have returned to work on a full-time basis performing all the essential duties of your occupation.

If the above conditions apply, a new maximum benefit period of 26 weeks will apply.

**Graduated Return to Work**

If you return to work on a gradual rehabilitative basis you will have your benefit reduced by 50% of any income earned from the rehabilitative employment. The combined total of your benefit plus the rehabilitative income will not exceed 100% of your earnings prior to the date your disability started.

Benefits will continue for a maximum of one period of disability as outlined under *Recurrent Disability*, whether due to one or more medical conditions.

In consultation with you, your employer, and with your Physician’s agreement, we will determine your eligibility for this program and its duration.
Extended Benefit

If you are disabled when this insurance terminates, your STD benefits will continue as though your insurance had not terminated, up to the maximum benefit period, provided you remain disabled.

Coordination with other Income Sources

Your STD payment will be coordinated with benefits received from other sources so that the total benefits received, for the same disability, will not exceed your normal take home pay on the date you became disabled.

Third Party Liability

Benefits will be paid for disabilities due to an accident in which a third party is liable. However, you must reimburse us when you receive payment from the third party.

Are Benefits Taxable?

Benefits are taxable if your employer contributes to the cost of your STD Plan. Benefits are nontaxable if you pay the entire cost.

Termination of Benefit

Your benefit payments will cease on the earliest date one or more of the following occurs:
1) you are no longer disabled
2) you are no longer receiving continuing medical care and treatment from your physician
3) you fail to submit satisfactory proof of continuing disability as required by us
4) you refuse a medical examination by a physician chosen by us
5) you are no longer following the treatment recommended for your disability
6) you leave Canada, for reasons other than to obtain treatment that is not available locally or that may be available sooner elsewhere. Such treatment must be recognized by the government plan (i.e. the Medical Services Plan of British Columbia and similar programs in other parts of Canada) as medically necessary. If you normally reside outside Canada, such treatment must be approved by us.
7) you perform any work for compensation or profit
8) the end of the maximum benefit period indicated in the Schedule of Benefits
9) you retire
10) you die.

Exclusions

Benefits are not payable for any period of disability:
1) arising from any of the following:

      i) during any period of formal maternity leave and/or parental leave
      ii) during any period in which Employment Insurance (EI) benefits are being paid
   e) substance abuse, including but not limited to alcoholism or drug addiction, unless you are receiving continuing treatment for substance abuse from your physician
   f) medical or surgical care which is cosmetic, unless considered medically necessary as a result of injury or sickness
2) that commenced prior to the date you were otherwise eligible for benefits or during a period when you were not eligible for benefits for any reason, unless we agree in writing
3) while you are
a) in a jail or penitentiary  
b) on leave of absence or paid vacation  
c) receiving benefits for the same or related disability from WCB or similar legislation  

4) if you become disabled during a strike or lockout at your place of employment; however, your right to benefits will be reinstated when the strike or lockout ends.

2) Complete the employee's statement and sign the form on both sides.
3) Return the form to your Plan Administrator for completion of the employer's portion.
4) Have your Physician complete and sign the medical portions of the form.
5) We must receive satisfactory proof of claim within 30 days following the end of the Elimination period. Failure to submit a claim within the 30 day limit will not invalidate the claim if special circumstances prevail.
