The School for International Studies at Simon Fraser University

Invites you to a public lecture on

Is India Still Shining?

Guest Speaker: Professor V B Athreya

Friday, 7 September 2012
2:30 – 4:00 pm

Harbour Centre Campus, Room 7000
Simon Fraser University
515 West Hastings Street

All are welcome to attend!

In this talk Professor Athreya will briefly review the history of India's success in raising economic growth rates to compare with those of China, and then consider the reasons for the more recent downturn in the Indian economy. He will also address questions about the distributive aspects of Indian development.

Professor V B Athreya took his PhD in Economics at the University of Wisconsin, Madison, and has taught Economics at universities in India, the United States and Europe. He is noted for his research on agrarian questions in India, and on female infant mortality. He is a regular contributor to the media as well as to the scholarly literature.
