RSVP is required through http://booklaunchvancouver.eventbrite.ca.

Canada Among Nations is the premier source for contemporary insight into pressing Canadian foreign policy issues. Now in its 27th edition, contributors explore Canada and Africa's rich history, taking stock of what has been accomplished. This volume offers recommendations for a more strategically beneficial Canada-Africa partnership in areas including trade and investment, democracy and nation building, development aid, governance, corporate social responsibility (especially in the natural resource sector where Canadian firms are heavily invested) and regional security. Join us at the book launch for this new, important contribution to the study of Canadian foreign policy.

Published by CIGI, in partnership with The Norman Paterson School of International Affairs, and with financial support from the International Development Research Centre.
