SUGGESTED COURSES FOR FALL 2019

- Please check course prerequisites, availability and WQB designations on go.sfu.ca or on the SFU Calendar (http://students.sfu.ca/calendar.html).
- It is the responsibility of each student to be aware of faculty regulations as stated in the Calendar. Departmental and faculty advisors are available to provide advice and guidance. However, the ultimate responsibility for completeness and correctness of course selection, for compliance with and completion of program and degree requirements and for observance of regulations and deadlines rests with the student.
- Enrollment is never guaranteed. Some courses may have enrollment restrictions to allow declared (or intended) students from a specific department or faculty to access these courses before other students.
- Contact the department offering the course for more information about enrollment restrictions after you have clicked on the course details in go.sfu.ca first.
- Although MySchedule is an excellent planning tool, it fails to provide full details about courses. You are best served by looking up information on courses in goSFU.
- A list of all academic advisors is available at http://students.sfu.ca/academicadvising/contact_us/sfu_advisors.html.

Courses noted in red are not in the IS curriculum but students are allowed to count them towards the non-IS electives in their specific concentration for the specified term only. Students must notify ismgr@sfu.ca if enrolled in classes noted in red. Failure to do so may result in these courses not being included as electives for your IS program during advising sessions or graduation checks. Include the following information: name, student number, concentration, term, course number, credits and the full course title. Courses noted in black are part of the regular International Studies curriculum.

Please email your advising transcript to ismgr@sfu.ca for consideration of a prerequisite waiver. Do not send your unofficial transcript or your academic progress report as these documents are not helpful for advising purposes.

The School will not process tutorial swaps past the self-enrollment date of each term or course swaps/adds past the second Friday of each term.

ENROLLMENT TIPS

- J sections (eg. IS 220 J100) are reserved for students in the SFU NOW (Nights or Weekends) program. This restriction will be lifted during open enrollment period.
- C sections: distance education or blended learning classes.
- D900 sections: priority enrollment for students in a Surrey-based program.
- Some classes have reserve capacity (e.g. 80% of seats in upper division POL classes are reserved for declared POL students only). IS indicates its enrollment restriction under ‘Class Notes’.
- Most enrollment restrictions are lifted during open enrollment period.
• You can place yourself on waitlists (should they exist) if you meet course prerequisites regardless of enrollment restrictions. Ensure that you have no scheduling or credit-load conflict with existing courses. Students can waitlist for a maximum of 9 credits only and enroll in up to 18 credits.
• Ensure that your student account has a positive/clear balance and all fines have been paid or you will not be able to enroll in classes.
• Use the ‘Additional Search Criteria’ function in go.sfu.ca to search for WQB designated courses, distance education courses, etc.
• Outlines are usually posted on [http://www.sfu.ca/outlines.html](http://www.sfu.ca/outlines.html) and/or on the respective department’s website. You can access all IS course outlines on [http://www.sfu.ca/internationalstudies/undergraduate/outlines.html](http://www.sfu.ca/internationalstudies/undergraduate/outlines.html)
• You may enroll in multiple Special Topics IS courses for further credit as long as the topics are different (e.g. IS 309, 409, 319, 419, 329, 429 & 435).
• IS Directed Readings courses (e.g. IS 408, IS 418 and IS 428) are not available to students unless they have secured an IS faculty member willing to supervise them.
• IS 300, IS 350W (formerly IS 450W) and IS 451 are normally offered in the Fall and Spring terms only.
• IS 350W (formerly IS 450W) and IS 451 are strictly reserved for declared ISMAJ and ISHON students only.
