Notes:

- a) College enrollments are as of October 31st and are exclusive of vocational enrollments. Since the data is collected for a snapshot date, it does not represent services for the entire year. Some institutions may offer more comprehensive offerings than others during the spring and summer. Also non-vocational enrolment data does not include data for continuing education, apprenticeship and vocational data. Please note that some of the college enrollments for 96/97, 97/98 and 98/99 are based on estimates and all of the 99/00 numbers have been estimated.
- b) University enrollments are as of November 1st except for S.F.U. which is as of October 1st.
- c) 2000/01 College/Institute enrollments not available yet.
