Priority for appointment/reappointment as a Tutor-Marker is in accordance with Article XV of the Collective Agreement with the Teaching Support Staff Union (TSSU).

In allocating Teaching Assistant/Tutor-Maker positions, the department will also take into account:

- Candidates with unfulfilled commitments for TA support as stated in their offer of admission from the Linguistics Department will be given priority over other applicants;
- Candidates with a lesser amount of funding from other sources (scholarships and research assistantships) will be preferred over candidates with higher levels of funding;
- Instructor requests;
- Applicant’s preferences;
- Amount of financial support offered on admission to the graduate program;
- Suitability for particular courses (e.g. discipline of prior degree(s), publications, experience);
- Employment evaluations;
- Number of base units already received to ensure sufficient teaching-related experience in her/his field of study.

If an assignment within a priority group requires a selection between applicants, the graduate student without financial support from merit based scholarships or merit based fellowships during the semester of appointment with a value equal to at least a 5.17 appointment, will have priority for the appointment.
