The Language Learning and Development Lab is looking for participants!

If you are either a Native English Speaker or Native Mandarin Speaker you may be eligible to participate in this study!

Earn $20, 4 RPS credits, or a mix by participating for one hour each on two days!

Our schedule is flexible – you can come in on whichever days you already have class! If you are interested in contributing to our research on second language learning, please contact us at the e-mail or phone number below:
