DECLARATION OF INTENT REGARDING HUMAN SUBJECT RESEARCH

Note: This form is to be used by postdoctoral fellows who intend to perform research involving human subjects at some point during the term of their postdoctoral fellowship. In order to initiate payment of their fellowship, such individuals must declare their understanding of the requirement for Ethics approval prior to beginning work involving human subjects. For further information, see the SFU Policy on Research Ethics (R 20.01) at http://www.sfu.ca/policies/research/r20-01.htm

Post doctoral fellow identification:

Name: ________________________________

Department: ________________________________
