FASS Requirements:

The Post-Baccalaureate Diploma offers those who hold a bachelor’s degree the opportunity to develop and follow a program of individualized study, not usually provided by graduate or professional degrees. The program responds to changing educational needs, where mid-career advancement or changing career goals demand new knowledge and skills. The PBD may be completed on a full or part-time basis. Students in a Post-Baccalaureate Diploma Program complete a total of 30 or more units of work (approximately one year of full-time study).

PROGRAM ADMISSION REQUIREMENT:
- Completion of a recognized Bachelor’s degree with a minimum graduation grade point average (GPA) of 2.0 from a British Columbia university or a minimum GPA of 2.4 from a university outside of British Columbia.

PROGRAM REQUIREMENTS:
- Successful completion of an approved program comprised of 30 upper division units (courses at the 300 or 400 level), and some graduate courses if appropriate.
- At least 15 of the 30 upper division units in a subject area which most closely fits the learning goals of the student.
- Minimum cumulative grade point average (CGPA) of 2.5 on courses applied toward the diploma.
- Completion of lower division pre-requisites if required.
- Completion of the diploma within five years of admission to the program.
- Residency requires that at least 18 of the 30 upper division units must be taken at SFU (including at least 9 upper division units in the student’s area of concentration). Starting Spring 2017: at least 20 of the 30 upper division units must be taken at SFU (including at least 10 upper division units in the student’s area of concentration).
- Units applied to one diploma may not be applied to another SFU certificate or diploma or degree, and vice versa.

Admission process:
First, you will need to apply for formal admission to SFU as a degree holder. Your initial program status upon admission will be “Arts Non-Degree Seeking”. As soon as you have been granted this admission status, you will need to contact the department advisor for the department in which you will complete at least 15 upper division units and provide a copy of your first undergraduate degree transcript. You will then work with the advisor to complete a Post-Baccalaureate Diploma approval form outlining the specific requirements for your program.
