Notes regarding the Certificate in Ethics:

- Designed especially for students outside of philosophy (but open to any student meeting the requirements)
- Students may also design their own stream in consultation with the Ethics Certificate Advisor
- Courses used towards the Certificate may also count for any degree requirements (majors, minors), but NOT for another Certificate
- The Student Transcript will show both the full name of the Certificate and the Concentration selected.
- Graduation: you have to apply separately for graduation, as it is a separate parchment form your degree.

Student Responsibility: This checklist is provided for information only and it is not an official document. It is the responsibility of each student to be aware of faculty regulation as stated in the Calendar. Departmental and faculty advisors and staff are available to give advice and guidance. However, the ultimate responsibility for completeness and correctness of course selection, for compliance with and completion of program and degree requirements and for observance of regulations and deadlines rests with the student.
