Policy Authority: President

Parent Policy: University Policy on International Activities (GP 23)

1.0 PURPOSE

1.1 The University Policy on International Activities (GP 23) applies to all international activities undertaken in the University’s name except where explicitly exempted. This Appendix provides examples of international activities to which Policy GP 23 applies.

2.0 ILLUSTRATIVE LIST OF INTERNATIONAL ACTIVITIES TO WHICH POLICY GP 23 APPLIES

2.1 Examples of international activities to which Policy GP 23 applies, include:

2.1.1 International cooperation agreements between institutions.

2.1.2 International university agreements governing inbound and outbound graduate and undergraduate student exchanges, study abroad opportunities (including field schools) and non-credit international study tours.

2.1.3 New international credit programs such as dual, double and joint degrees.

2.1.4 Education and training credit and non-credit programs for international clients, including English language training provided outside of ongoing approved programs.

2.1.5 Arrangements for the delivery, sale or licensing outside Canada of the University's credit and non-credit courses, and degree completion programs.

2.1.6 International service contracts.

2.1.7 International development assistance.

2.1.8 International institutional development projects.
2.1.9 International commercial, joint-venture partnerships that use the University's resources or that trade on the University's name and reputation.

2.2 International research projects undertaken in the name of the institution shall adhere to the spirit of this Policy and shall be submitted for review, or reported for information, to the Senate Committee on International Activities at the discretion of the Vice-President, Research and International.
