C. Designated Persons

The United Nations maintains a consolidated list of Persons subject to sanctions imposed by the United Nations Security Council. This list can be found here: https://www.un.org/securitycouncil/content/un-sc-consolidated-list.

Canada maintains a distinct list of Persons that are subject to sanctions under Canadian law. This list is in addition to the list maintained by the United Nations. That list can be found here: https://www.international.gc.ca/world-monde/international_relations-relations_internationales/sanctions/consolidated-consolide.aspx?lang=eng.

Both of the lists provided above should be reviewed to determine if a person is a Designated Person.
