Facult of Science
Course Repeat Form for 6th or subsequent

Submit this completed form and documentation to the department advisor. Please attach a current advising transcript.

Name: ___________________________________________  Student No: ________________________________

Phone: __________________________ Email: _______________________________________________________

In filling out this form, please be aware that course repeats will be granted only when:
  a) there is no reasonable alternative that will allow you to continue in the intended program,
  b) there is clear evidence to support a belief that you will be successful in both the duplicated course and the intended program.

Please list the course(s) and explain why the above conditions apply in your case. Attach any additional pertinent documentation that will not fit within the space given.

The information on this form is collected under the authority of the University Act (R.S.B.C. 1996, c.468, s.27(4)(a)), and the Simon Fraser University Calendar. It is related directly to, and needed by, the University in the evaluation of requests to exceed course duplication limits. The information will be used in evaluating the specific request being made on this application and may also be used in evaluating subsequent appeals or requests under course duplication or other policies, as well as in evaluation of the satisfaction of conditions that may accompany a conditional approval of course duplication.
