KEY UPDATES
**KEY UPDATES**

**NATIONAL INDIGENOUS PEOPLES DAY**

SFU would like to extend a warm welcome to all to join us on National Indigenous Peoples Day. Help us mark the occasion with an Indigenous Drumming Ceremony. The event will be streamed live on Monday June 21 from 11:00am to 1:00pm. SFU Surrey and the Office for Aboriginal Peoples invite the public and SFU community to honour the First Nations, Métis, and Inuit communities across the country.

**FALL 2021 ENROLLMENT**

Enrollment appointment emails will be sent to all eligible undergraduate students in the afternoon of June 18. Access to My Schedule for visual planning of your courses will be made available on June 28. Fall 2021 course schedules, currently visible in goSFU, may change before enrollment begins on July 5.

**BIOMASS PLANT POWERS UP**

A new biomass plant on Burnaby campus turns wood waste into heat and hot water, giving us one of the smallest greenhouse gas emissions footprint of any university in Canada.

**RAPID SCREENING**
RAPID SCREENING

On Burnaby campus? Keep yourself and others safe by booking recurring COVID-19 rapid screenings. They’re fast, free and painless nasal swabs with results available in about 15 minutes. Evidence indicates that people who have received their first dose of a COVID-19 vaccine may still carry the virus and therefore can benefit from screenings. Rapid screenings are available for students living in Residence and student athletes. Register for appointments for Tuesdays and Fridays.

U-PASS BC

You can request your July U-Pass BC at upassbc.translink.ca.
