This instruction sheet contains all of the information you need to make your move out a smooth and easy process. Please take the time to read the information below and use the cleaning checklist so that you leave your room and shared spaces in a satisfactory condition and do not incur cleaning charges.

5 STEPS TO MOVING OUT
Moving out means that you are leaving your unit in the following condition:
1. Remove all your belongings from your two-bedroom unit. Ensure your unit is clean and damage free
2. Clean your bedroom and remove all garbage/recycling and dispose of it appropriately
3. Do your share of cleaning the shared spaces in your two-bedroom unit
4. Close your windows and lock your doors
5. Return your keys in-person to the CCIC Residence Administrator

RETURNING YOUR KEYS
AVOID THE LOCK CHANGE CHARGE OF $155!
• Before you move out, you must email your CCIC Residence Administrator to set up a key return time.
• When moving out be sure to get a key receipt.
• If you cannot arrange a time for a key return, the CCIC Residence Administrator will provide further instructions.
• Do NOT ask a friend to return your keys for you.
• If you did not return your keys, and cannot produce a receipt verifying return, you will be charged $155.

AVOID CLEANING CHARGES
Throw away all of your garbage/recyclables in their proper bins.

After you’ve moved out
• Our facilities staff will take pictures of your room and document anything left in an unclean or damaged condition
• Any previous damage or items needing repair will have been reported on the Room Condition Report that you completed when you moved in
• This report will help to assess if your room has been left in the same condition as when you moved in. For more information, see the Room Condition Report you completed on the Housing Portal
• If you have any concerns about your room, contact the CCIC Residence Administrator before you move out. To see the list of possible damage and cleaning charges for areas left in an unsatisfactory condition, see the 'Damages and Cleaning Charges’ list on the Residence and Housing Move-Out page
