SFU Climate and Energy Research Day  
April 14, 2015 from 10 am to 4:00 pm

Recognition to the best poster presentation (for graduate students): The best two presenters will receive up to $500 dollars each to defray costs at a national or international conference related to his/her research.

General Guidelines for Poster Preparation

**Format:** Posters should preferably not exceed the display board dimensions of about 45” square (114.3 cm square).

**Format and Content** Posters should display: the title and author(s) names and affiliation in large letters. The background/purpose, methodology, results and conclusions should follow (if applicable). Posters may include diagrams, graphs, charts, photos.

**Set Up and Removal Times**  
Authors are invited to display their poster throughout the day at the Saywell hall or Attrium (place to be confirmed). Set up is at 9:00 am on Tuesday, April 14th, 2015. Posters must be removed after 4:00 pm. The organizers are not responsible for loss or damage of posters which are not removed by authors within the times of dismantling.

*Note: Posters presented in past conferences are welcome.*
