ROLE DESCRIPTION: Research Fellows

Avalanche Strategy conducts cutting edge public opinion research that leverages advances in cognitive science and AI to yield deep insights into the values, emotions, and attitudes of a community. We support resonant messaging for candidates, companies and causes that share our mission to create a more just, equitable and sustainable future. Founded in late 2017, we are part of the Higher Ground Labs cohort, and currently running large-scale pilots in midterm elections in the US.

As a Research Fellow, you will gain valuable experience in the development and application of cutting-edge public opinion research. Research Fellows analyze and code large volumes of qualitative data, according to clearly defined parameters and attributes. (Training provided). Research assistance will receive letter of reference and professional development coaching.

We are selecting 6 paid fellows to work with Avalanche in late summer - fall August 2018.

You will be responsible for:
- Coding large volumes of qualitative data
- Working largely independently to achieve goals and targets
- Adhering to methodological guidelines and seeking clarity when needed
- Identifying opportunities for improvement in the coding process
- Bringing a positive attitude and desire to learn to a growing team

Qualifications & qualities:
- Strong fluency in English, both written and oral
- Detail oriented & enjoys working methodically
- Basic comfort in excel and online; and can work from your own computer
- Genuine enthusiasm for learning and opportunity

Start Date: August 8th, four weeks
Hrs/week: Flexible. Fellows must have minimum 15 hrs/week to commit to this work
Rate: CAD $25/hr
Application Deadline: August 5th, midnight
Location: Vancouver, BC

Avalanche works exclusively with companies and causes that share our mission to create a more just, equitable and sustainable future, and encourage applications from fellows who are aligned with that vision.

To express interest or refer a candidate, please send a brief note and either resume or LinkedIn profile to team@avalanchestrategy.com. We’ll get in touch to talk deets and determine fit.
