Community Graduate Programs (Surrey) invites applications for the following position:

**Cohort:** MEd Curriculum & Instruction, Imaginative Education (CI SC74)

**Course #:** EDUC 904-5

**Title:** Fieldwork III

**Description:** This course introduces the philosophy and design of action research with a particular focus on Imaginative Education pedagogy. Scheduled towards the end of the two-year MEd program, it aims both to integrate previous learning with students’ lived understanding of their educational practice, and to encourage and support students’ ongoing professional growth after the program ends. As a central part of the course, each student will design and carry out a small action research project in an educational setting of their choosing. Early classes will focus on the social and practical dimensions of action research, while later ones will consider broader philosophical and scholarly issues and assist students in the interpretation and communication of their findings.

**Location:** SFU Surrey
