

SFU Ergonomics Program Demo Chairs

The following is a list of office chairs available in the EHS department for SFU employees to test out and learn about adjustability features. Please note that this is not an exhaustive list of ergonomic chairs or Vendors that provide them. **Contact your preferred Vendor for final quotes.**

- Staples: Helen.Mazzocchio@Staples.com
- Chairlines: shelley@chairlines.com

Please note that purchasing decisions are made by the department and testing a chair does not necessarily mean that your department will purchase a chair for you. Please check with your department before booking an appointment to determine what options are available in your department.

Contact ergosafe@sfu.ca to book an appointment to visit the EHS department and test out chairs.
