Summer 2024 Payment Plan Info

NOTE: Students signed up on the Payment Plan will be charged a 2% monthly interest charge after the due date (May 17, 2024) and on the first of each month thereafter. Only accounts that are paid in full are not charged interest.

Payment plan students agree to pay the Summer 2024 fees and monthly interest charges in three or four installments.

The minimum account balance to sign up is $1,000.

Scheduled payment dates are May 1*, June 1, July 1 and August 1.
Payment must reflect on goSFU each month before these dates in order to maintain good payment plan standing.

*All Payment Plans activated prior to April 24 will have 4 installments. Payment Plans activated after this date will only have 3 installments (June, July, August).
Signing up for the Payment Plan allows students to add/drop classes for the Fall 2024 term and order transcripts while having an outstanding Summer 2024 balance.

- As long as you fulfill the monthly payment installments, you may enrol in Fall 2024.
- If the payment requirements are not met each month, the plan status will be considered "In Default". If your account is in default, you may be blocked from enrolling in Fall 2024 courses until payment is received in full.
- If you are uncertain about your finances, it is your responsibility to be more conservative when committing yourself to classes.
