

Exceptional meetings are par for the course

Mark your calendars today and plan on joining us Sept. 20-23, 2003 at Eastern Michigan University's Eagle Crest Conference Center and Resort for **CUMU 2003**.

Located on the banks of Ford Lake, the resort is only minutes from the brand new World Terminal at Detroit's Metro Airport and features luxurious Marriott accommodations, a high-tech conference center and an award-winning golf course.

Spend your days with colleagues from across the nation exchanging ideas, data and best practices. Then, enjoy your free time exploring the Ann Arbor/Ypsilanti area's eclectic mix of shopping and dining experiences. The EMU Eagle Crest Conference Center and Resort is minutes from the world-renowned Henry Ford Museum at Greenfield Village; the world's largest polar bear exhibit at the Detroit Zoo; and three, new Las Vegas style casinos. For more information, or to submit proposals, contact:
