

August 10 -12, 2011

ICA-ISPRS 2011 joint Workshops

Our Complex World: Representation, Analysis and Modeling

WELCOME

International Cartographic Association (ICA)
ICA Commission on Geospatial Analysis and Modeling

International Society for Photogrammetry and Remote Sensing (ISPRS)
ISPRS Technical Commission IV - Working Group IV/5
Distributed, Web-based Geoinformation Services and Applications

August 10 -12, 2011

ICA-ISPRS 2011 joint Workshops

Our Complex World: Representation, Analysis and Modeling

WebMGS 2011

ISPRS WG IV/5 2nd International Workshop on
Pervasive Web Mapping, Geoprocessing and Services

and

ICA GAM 2011

4th ICA Workshop on Geospatial Analysis and Modeling

August 10 -12, 2011

ICA-ISPRS 2011 joint Workshops

Our Complex World: Representation, Analysis and Modeling

Conference Chairs

Suzana Dragicevic

Simon Fraser University, Canada

Bin Jiang

University of Gavle, Sweden

Songnian Li

Ryerson University, Canada

Maria Brovelli

Politecnico di Milano, Italia

Bert Veenendaal

Curtin University, Australia

ICA-ISPRS 2011 joint Workshops

Our Complex World: Representation, Analysis and Modeling

Prof. Bin Jiang
University of Gavle, Sweden

Prof. Marguerite Madden
University of Georgia, USA

August 10 -12, 2011

ICA-ISPRS 2011 joint Workshops
Our Complex World: Representation, Analysis and Modeling

Keynote Speakers

Prof. Timothy Nyerges
Geography, University of Washington, Seattle, USA

Prof. Paul Torrens
School of Geographical Sciences & Urban Planning
Arizona State University, USA

ICA-ISPRS 2011 joint Workshops
Our Complex World: Representation, Analysis and Modeling

ICA-ISPRS Workshops 2011 - SFU SPONSORS

The Modelling of Complex Social Systems (MoCSSy)
Research Program

The Vice President Academic
The Office of the Dean, Faculty of Environment
and
Department of Geography

ICA-ISPRS Workshops 2011 - Welcoming Words

The Modelling of Complex Social Systems (MoCSSy)
Research Program
Vahid Dabbaghian, Program Director

The Vice President Academic
The Office of the Dean, Faculty of Environment
and
Department of Geography
Duncan Knowler, Associate Dean

Pam Borghardt
Managing Director

Veselin Jungic
Deputy Director

Special Thanks

ICA-ISPRS Workshops - Student Volunteers

Richard Minardi

Terence Lai

Anthony Jjumba

Spatial Analysis and Modeling Research Lab, Geography Department, SFU

Special Thanks

ICA – ISPRS Co-Chairs and Scientific Committee members

The IRMACS Centre

Andrew Gavel - technical support

Kelly Gardiner and Alyssa Jordan - front desk

SFU Meeting, Event and Conference Services

Justin Ankenmann

August 10 -12, 2011

ICA-ISPRS 2011 joint Workshops

Our Complex World: Representation, Analysis and Modeling
