

Serve Me the Money

menu

Soup

made from our very own homemade mixture of childhood dreams (including firefighters, life guards, and singers). A hint of exotic flavour can also be tasted, which makes this our all-time famous appetizer.

price 1 dollar

try our new add to our menu, the bomb sauce, which will blow you away for just 1 cent more!

Salad

served with freshly picked endangered trees,
topped with deliciously grilled Jesus Christ
and with a sprinkle of Mary mother of God.
this rich entree is finally finished with a
dash of ozone layer.

price 1 dollar

Get the emission salad dressing for 5 cents more. It will guarantee to burn away all your worries.

Cheesecake

this savoury delight will be the highlight of your meal as it is filled with child labour, war, starvation, corruption and, best of all, death of unworthy beings. you name it! there are endangered species killed freshly by our sports-loving customers; there are skinny and penniless savages (anything from young to old!). Cut into this cake now!

Price 1 dollar

add 5 cents for our special fossil fuel sauce
