

# Protecting Indigenous Cultural Heritage

FREE PUBLIC LECTURES | BURNABY AND VANCOUVER | SPRING 2015

One of Canada's greatest challenges, both today and for the future, concerns the protection of tangible and intangible heritage. Questions about the recognition, respect, and protection of cultural heritage are often a source of conflict, with substantial social, political, and economic consequences. The six dynamic and exciting speakers in this interdisciplinary lecture series will explore these important issues. Please join us.
