Sponsored by the International Society of Occupational Ergonomics and Safety for the past seventeen years, this conference is devoted to the dissemination of significant research results, technical and methodological applications, case studies and surveys concerned with ergonomics, safety and design in the occupational and non-occupational environment. Bringing practitioners and researchers together from all over the world, the conference will explore common ground, promoting the assimilation of scientific data with that of the real world. The conference is preceded by one-day workshops and exhibitions of ergonomics related software and equipments.

All submissions are encouraged to emphasize the above theme in the following areas of common interest, but not limited to: Integrated safety and health programs (SHARP), Ergonomics and OSHA compliance, Ergonomics and occupational medicine, Design and re-design of the work and work environment for health and safety, Human factors/Ergonomic issues in work measurement, Manual materials handling in non-laboratory environments, Cumulative trauma disorders, Hand held tools-design and use, Ergonomics for the aging population, Ergonomic issues in design for non-text book populations, Agriculture, forestry, marine ergonomics, ergonomics in transportation, Ergonomics in rehabilitation, health care systems, Safety, health ergonomics case studies, Accident and injury prevention, Consumer product ergonomics, Ergonomics in developing countries, Safety, health and ergonomics in high technology operations, Human errors in medicine, Ergonomic issues in lean manufacturing, Ergonomic issues of return to work; Legal issues in occupational ergonomics, Ergonomic issues in alternative workplaces.

Conference rates include: mid-morning breaks on Mon, Tue, and Wed; a cash-bar reception on Monday evening; a dinner banquet on Tuesday evening; and one copy of CD version of the proceedings. Please check appropriate categories, add fees and enclose check/money order/demand drafts along with the registration form. You may also register on-line at www.uwindsor.ca/isoes. Please note that papers received without conference registration will not be accepted. Please also note that only two papers will be allowed for a single registration.

The group rates at Toronto Colony Hotel are as follows: Single/Double Occupancy- CAD$142.00/ US$95.00, Triple Occupancy- CAD$155.00/ US$103.00, Quad Occupancy- CAD$170.00/ US$113.00. All reservations must be made by May 9, 2002. Please note that all reservations must be accompanied by a first night room deposit, and be guaranteed with a major credit card. Reservations can be directly made with the hotel by calling 1-416-977-0707 or 1-800-387-8687 only between business hours or by fax at 1-416-585-3157. The hotel offers on site parking based on availability. Currently, the parking rates are $ 18.00 per 24-hours period. Details of other accommodations will be posted on the website in the near future.

Interested students are encouraged to submit their abstracts with a covering letter indicating their interests in the student paper competition with their status (undergraduate or graduate) to the conference chair by November 30th, 2001. Prizes will be awarded to the three best student papers. Details will be posted on our website.

The conference will be preceded by two workshops:

**Workshop I: June 8, 2002**
Physical Demand Analysis (Full day)  
Dr. Sue Rogers

**Workshop II: June 9, 2002**
Upstream Ergonomic Invention in Manufacturing Design (Half Day)  
Dr. Jim Potvin

Designing Products for Reduction of Errors (Half Day)  
To be announced

Please address all correspondences to the conference chair:

**Dr. Sourin P. Dutta**  
Department of Industrial and Manufacturing Systems  
Engineering, University of Windsor,  
Windsor, Ontario, N9B 3P4 Canada,  
Email: sdutta@uwindsor.ca  
Fax: 519-973-7062  
Phone: 519-253-3000-x2608

**Abstract Submission Deadline:** November 30th, 2001  
**Notification of Outcomes to Authors:** January 4th, 2002  
**Complete Papers Submission Deadline:** March 30th, 2002

Submissions may also be emailed to sdutta@uwindsor.ca or isoes@uwindsor.ca. PDF files preferred; Word Documents acceptable. All the papers presented will be published in the conference proceedings in CD format, which will be available at the conference. Revised and expanded versions of selected papers will be considered for publication in Occupational Ergonomics. Papers received after the due date may not be included in the proceedings. Papers received without conference registration will not be accepted.

XVI International Annual Occupational Ergonomics and Safety Conference 2002  
Toronto, Canada  
Second Announcement

June 9-12, 2002  
Toronto Colony Hotel  
Downtown City Hall  
In the heart of Downtown Toronto  
12 miles from  
Pearson International Airport

Toronto Colony Hotel, Downtown City Hall, located on Chestnut Street, just 25 minutes from Pearson International Airport. Off the Gardiner Expressway; Exit at York Street to University Avenue North, right on Armoury Street to Chestnut Street. From Don Valley Parkway South to University Avenue, right to Armoury Street to Chestnut Street.
**CONFERENCE REGISTRATION FORM**

Please mail or fax this form to Dr. Sourin Dutta, Department of Industrial and Manufacturing Systems Engineering, University of Windsor, Windsor, Ontario, N9B 3P4 Canada, Fax: 519-973-7062.

Prof./Dr./Mr./Mrs./Ms. Name: First……………………Middle ......................Last .....................

Company /University/Affiliation:.....................................................................................................................

Mailing Address: City………………….Prov./State………………..Zip………….Country………………....

Phone:……………………....Fax……………………...Email:...........................................................................................

Registration includes admission to all technical Sessions, welcoming reception, banquet, a copy of CD Version of Conference Proceedings entitled “Advances in Occupational Ergonomics and Safety” and refreshment breaks during the conference.

Please mark the appropriate cost(s)

Dear Colleague:

Re: Invitation for Membership in the International Society for Occupational Ergonomics and Safety (ISOES).

It is with great pleasure I wish to invite you to join the International Society for Occupational Ergonomics and Safety (ISOES) as a Member. The ISOES was established and incorporated in 1986 in Ohio, USA as a non-profit organization. Its primary goal was to promote research and application of occupational ergonomics and safety through the organization of the Annual International Occupational Ergonomics and Safety Conference worldwide and the publication of the Proceedings of the Annual Conference, *Advances in Occupational Ergonomics and Safety* (in book form). Over the last decade, the conference has truly become an important yearly forum, where international researchers and industrial practitioners can meet and focus their attention to current issues and problems of occupational ergonomics and safety.

Since 1998, ISOES has launched the Society refereed journal (four issues per year), *Occupational Ergonomics*, published by the IOS Press, Netherlands. The focus or emphasis of the journal is to maintain a good balance between research and application oriented articles. The editorial board of the journal is comprised of eminent ergonomists around the world. Excellent refereed articles have been published in the journal by leading researchers and practitioners. We shall make every endeavor, so that the journal emerges as a leading journal in the field in the years to come.

The ISOES Newsletter is published quarterly that contains news of the Society and other matters of current interest to the members. A Directory of Members is produced by the Society. The ISOES Administrative Office is located at 1503 Inlet Court, Reston, Virginia 20190, USA, c/o Ms. Patricia Ann Oliver-Wilson, ISOES Administrator, Biz-Comm Inc., Tel: 703-689-9619, Fax: 703-689-9637, email: biz@biz-comm.com.

We urge you to give serious consideration to joining the ISOES. The individual membership subscription of the ISOES is US $ 75 that includes journal subscription (four issues yearly) and newsletters. The institutional price of the journal is US $220.00. The membership of the ISOES permits you a discount of US $ 30 for the attendance of XVI International Annual Occupational Ergonomics and Safety Conference to be held from June 9-12th, 2002 in Toronto, Canada. For details on the membership, please visit the website [www.isoses.org](http://www.isoses.org).

Yours sincerely,

Sourin P. Dutta
President
ISOES
